

TCC Southeast Mansfield Early College High School Frequently Asked Questions

General Information

What is an Early College High School?

Early College High Schools are small high schools where students earn both a high school diploma and two years of college credit (60 hours) towards a bachelor's degree. The Early College High School is designed to substantially increase the number of males, low-income students and first-generation college-bound students who will pursue advanced studies. Students who do not fit this profile can still apply and get accepted into Mansfield ECHS. Our ECHS students reflect the diversity of MISD. The Early College High School will provide academic, social and emotional support services to ensure students success. In addition, AVID instructional strategies and mentorship will continue to be an instrumental component of the Early College High School.

When did TCC SE Mansfield Early College High School open?

Early College High School opened it's doors to the Mansfield ISD community fall 2017 to 9th graders only. From there, every year we added a class with our first graduating class in 2021. In 2021, our seniors graduated with an 81% associate degree attainment rate, followed by an 89% associate degree attainment rate for the class of 2022.

How many students can attend ECHS at full capacity?

Approximately 300 in grades 9, 10, 11 and 12.

Where is Early College High School housed?

The 9th and 10th grade scholars attend Early College High School only classes in a wing in Timberview High School. 11th and 12th grade scholars attend classes at TCC Southeast.

Why attend an Early College High School?

Early College High Schools have the potential to improve high school graduation rates and better prepare students for family-supporting careers by:

- Designing a structured school setting that helps students succeed in a college classroom.
- Compressing the number of years to earn a college degree.
- Removing financial and other barriers to college.

Are ECHS students Timberview High School Students?

No. Our students are Early College High School Stallions. We are a school of choice housed in Timberview High School. Students will have their own Early College High School graduation ceremony.

Students will follow the advanced curriculum and college curriculum created by the TCC instructor. Because this is a collegiate environment, we do not offer a modified curriculum. Our students will take advanced and accelerated courses.

What makes this a unique and structured setting?

- We offer the AVID elective, which has a college readiness curriculum that teaches students how to write, inquire, collaborate, organize and read in a collegiate setting
- We schedule “in school” study hall
- We offer Club and Organization time in the school day
- Students have access to TCC, ECHS and THS tutorial services
- Students take college courses fall of their 9th grade year. Every year, the college course load increases so that a student will eventually take mostly college courses
- Counselor and principal knows and advises each student
- Small school – family feel
- Like minded students
- Teach how to be resourceful and think like a college student
- Last two years of ECHS, students will take most of their classes at TCC Southeast with high school and adult learners
- Teachers teach at the advanced level to prepare students for college classrooms.

- Most students who graduate will get accepted into a college with scholarship opportunity
- College and Career Development Opportunities
- Student Leadership is encouraged
