

## TCC SE Early College High School Professional Development Plan

**School Year:** 2018-2019

**Our Mission:** The mission of our collegiate academy is to develop scholars, thoughtful leaders and engaged citizens to earn their high school diploma and up to sixty hours of college credit and/or associate's degree.

**TEA Benchmark 6 Design Element:** ECHS shall implement an annual professional development plan for teachers, staff, focused on research-based instructional strategies that focus on rigor, build college, and career readiness, is based on needs assessment of student data, and includes both high school and dual credit teachers.
